

## Standard Rugby Shirt Designs

Our standard shirt designs are available in any colour combinations with other variations such as collar style, and sleeve length available. Let us know what design and colours you like and we would be more than happy to send you a picture of your chosen design, free of charge.

We offer full embroidery and print service using the latest embroidery and print techniques, so we are your ideal 'one stop' shop when it comes to superb quality, bespoke club kit at affordable prices that is just not available from other suppliers.

The shirts are made from an extremely tough and durable, 280 or 360 gram, poly/cotton fabric which makes them extremely comfortable to wear during matches and also after the game as leisure garments.

All our garments are guaranteed to be colour fast and not to stretch or shrink providing washing instructions are followed.
